Office of Community Services

INFORMATION UPDATE

TO: Home Weatherization Assistance Program Executive Directors, Energy Coordinators and Fiscal Staff, OPAE, and OACAA
FROM:  Nick Sunday, Chief, Office of Community Services (OCS)
SUBJECT: Department of Labor Prevailing Wage Training

On October 5, 2009, the Office of Community Services (OCS), in partnership with the Ohio Association of Community Action Agencies, will conduct a Prevailing Wage Training to provide more information on the Davis-Bacon Act (DBA) Prevailing Wage Requirements for the American Recovery and Reinvestment Act (ARRA) of 2009.

Mr. Verne Waldow, from the U.S. Department of Labor, will be the guest speaker to discuss the prevailing wage requirements under ARRA and answer any questions you may have. It is strongly encouraged that each of you attend this important training as your agency works to implement the DBA requirements.

OCS received the prevailing wage classifications last week; however, six counties were missing and there were questions on some of the positions listed. Once OCS receives clarification, a follow-up will be sent to your attention.

Please RSVP via email to Stephanie McCormick at stephanie.mccormick@development.ohio.gov indicating the names and titles of staff who will be attending.
